

St. Charles Festival 2017

Friday, September 8th 6pm-midnight
Saturday, September 9th 6pm-midnight
Sunday, September 10th 6pm-midnight

Please contact a chairperson to offer your assistance, they truly appreciate that versus having to call for help. Any questions, contact Cricket Fleming at 735-1888. We are still in need of fish for the fish dinner, rummage sale items, works for bingo, and set-up help starting Wednesday, September 6th after 5pm. Keep the prayers going for the favorable weather and the health and safety of our patrons and workers!
