

# ST. CHARLES BEAUTIFICATION PROJECT

**CLEAN  
IT UP,  
GREEN  
IT UP  
& KEEP  
IT UP**

Lets come together to improve and beautify the grounds of St. Charles Parish. All are welcome and invited to join in! Improvements include the planting of numerous bushes, trees and perennials around the church, the berm, parish office and rectory. Landscaping rock will be removed and replaced with mulch. The statue of Jesus will be raised onto a rock pedestal and centered, while both statues will be cleaned and restored. There is also a general need for upkeep with weeds, trimming of bushes and watering. Your consideration towards this beautification project is greatly appreciated!
