## Support Religious Education

Teach them to carry  
out everything I have commanded you.  
And know that I am with you always.  
—Matthew 28:20

Appreciate wisdom and discipline,  
understand words of intelligence; receive  
training in wise conduct, in what is right,  
just and honest; that resourcefulness,  
knowledge and discretion may be  
imparted to the young.

## Saint Charles Borromeo Religious Education Handbook

Beginning with Baptism, the gift  
of faith is developed through  
Religious Education. It is  
begun in the home and  
strengthened through the  
Eucharist at Mass. Our  
curriculum will provide  
information and experiences  
that will help students develop a  
deeper and more personal  
relationship with Jesus and the  
Catholic church.

Kindergarten  
through 8th grade  
All children are welcome

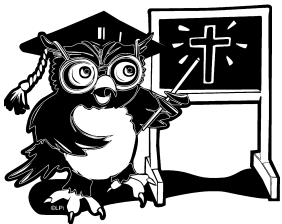

*Classes meet 5:45 pm—7 pm  
Monday evenings at  
St. Charles  
Class dates are regularly  
included in the parish bulletin*

# Instructional Guidelines

Religious formation of the child takes place in the home, in church and in the class setting. Students will be tested regularly, both orally and written. Generally, the testing is very simple and brief and based on the weekly class lessons. If a child has difficulty with written tests, the Catechist will arrange for an oral test to be given.

Students who do not satisfactorily complete the course of study at each grade level or do not attend the required number of classes may be required to repeat the grade. **Absences from more than 4 classes may result in a student repeating the grade.** This is at the discretion of the Director of Religious Education.

The student must make up the work of missed classes.

chased.

Each student receives Religious Education text materials. If a textbook is lost, stolen, or damaged, a new one must be purchased.

## Student Behavior

An important part of Religious Education is to lead children to put the Catholic values of peace and justice into practice. Students will be held responsible for their conduct.

Therefore:

1. Self respect and respect of others is expected. Disrespect, prejudice, violence of speech or action is not tolerated.
2. Any child causing damage to parish property will be required to pay for repairs and /or replacement.

## General Guidelines

*Attendance/tardiness*-Your child's regular attendance is very important. The Archdiocese of Detroit has strict guidelines concerning attendance. Religious Education classes should take priority over other programs and activities. Please call the office on the day of any absence. Absences from 4 classes may result in a student repeating the grade. Please have your children to class on time. Tardiness is a problem for safety and class participation. Excessive tardiness will accumulate into absences.

*Behavior warning*-When a student consistently fails to follow the safety and classroom rules, parents will be contacted. The second warning will require a parent to attend class with the student.

*Communications*-Please pay attention to all notes that are sent home or emailed from the teacher or the Religious Education office. In addition, important information about the program is noted in the church bulletin.

*Security*-All school doors are locked, only the main school entrance door is used for religious education classes. Main school entrance door is locked during class time. Door will be monitored for late arrivals and will not be unlocked until dismissal at 7:00 pm. Non-students or non-authorized adults are not permitted on the grounds or in the building during class sessions

*Arrival*-Follow arrows around the perimeter of parking lot and drop off students at sidewalk by main entrance to school building.

*Dismissal*- Please follow the arrows around the perimeter of the parking lot and line up along the sidewalk. Children will be walked out of school building and waiting on sidewalk. If you wish to park, you must come to the sidewalk to get your children. No students will be allowed to walk through the parking lot unattended.

*Student needs*-At time of Registration, please note important home, dietary or education needs of your child.

*Supervision of students*-All students are supervised when they are in the building. There is to be no "hanging around" before/after classes. .

On-going communication is essential for the Religious Education Program to effectively serve the youth of Saint Charles Parish. Do not hesitate to call with any questions, concerns, suggestions, or volunteer offer.
